## Bay Area Bliss

Apparently Bay Area beauties bought so many Bliss products, the company decided to open a Bliss Spa here at the swanky W Hotel in San Francisco. Watch *Sex in the City* as you get a manikure/pedicure, or choose from the long list of spa therapies. It's not necessary to stay at the hotel after a day of pampering... but why not?

## SF Fashion Week

Fashionistas and celebrities from the Bay Area gathered again this year at the Palace of Fine Arts to celebrate the wealth of talented emerging and established local fashion designers. The week consisted of runway shows, music, art, and parties including the Sweetfree Campaign by Global Exchange to celebrate San Francisco's passage of the strongest sweatshop-free legislation in the country.
